

REPRESENTATIVE
DEAN CANNON.

Building Stronger Schools for our Children

When it comes to
our children,
They deserve
nothing but
the best.

DEAN CANNON.

Working to give our kids the very best.

Fully Funding Our Classrooms

Even though our state had to create \$6 billion in budget cuts, Dean Cannon successfully fought for and succeeded in keeping our public schools fully funded to ensure that our children have the books and technology they need.

Keeping The Best Teachers

The son of a public school employee, Dean Cannon knows the importance of having the best teachers leading our classrooms. That's why Dean has worked to keep and retain our schools best teachers and fought so they receive higher pay.

Empowering Parents With More Choices

A proud Father of three, Dean Cannon knows that every child learns differently. Dean is fighting to make certain parents will have more options to help them make the best decisions for their child's education.
